

Hallo, kids of the "Sir Lowry's Pass Primary School",

We are happy to establish a first contact with you!

We are 18 children in the 3rd grade of the Astrid Lindgren School.

All pupils of our class are 8 to 10 years old. We're pleased to get to know you!

What are your names? We have been studying English for only 3 months. We heard that there are many different languages in South Africa. What is your native language?

Because we don't know so much about your everyday life we look forward to learn more about it!

Best wishes from class 3 b!
